

Oregon PaintCare

**Collection, Transportation and Paint
Management**

February, 2010

- Nationwide footprint servicing clients in all 50 states.
- Collecting and managing paint in the PNW since 1985.
- In-house call-center, transportation resources and processing. Specialize in retail services.

- ❖ **Experience managing nationwide contracts with complex geographical challenges – Home Depot, Lowe's, Wal-Mart**
- ❖ **Experience with three previous PNW paint collection pilot programs**
 - ❖ **King County – Return to Retail**
 - ❖ **ODEQ – Paint Smart**
 - ❖ **Clark County – Retail Collection**
- ❖ **PaintCare material will be sent to PSC's Washougal, WA facility for sorting, processing and recycling.**

❖ **Four Oregon Collection Zones:**

- **Zone 1: Columbia, Washington, Yamhill, Polk, Benton, Linn, Marion, Clackamas, Multnomah, Hood River, Wasco**
- **Zone 2: Clatsop, Tillamook, Lincoln, Lane, Coos, Douglas, Curry, Josephine, Jackson**
- **Zone 3: Sherman, Gilliam, Morrow, Umatilla, Union, Wallowa, Baker**
- **Zone 4: Jefferson, Wheeler, Grant, Malheur, Harney, Lake, Klamath, Deschutes, Crook**

❖ **Washougal, WA Call Center**

- **1.800.547.2436**
- **Staffed in-house Monday – Friday 8 - 5**
- **Off-hours staffed by call center**
- **Collection sites will get reminder call the day of pick-up**
- **PSC's Emergency Response Center 24/7 – 1.877.577.2669**
- **All pick-up's on milk-run schedule**

❖ Cubic Yard Totes

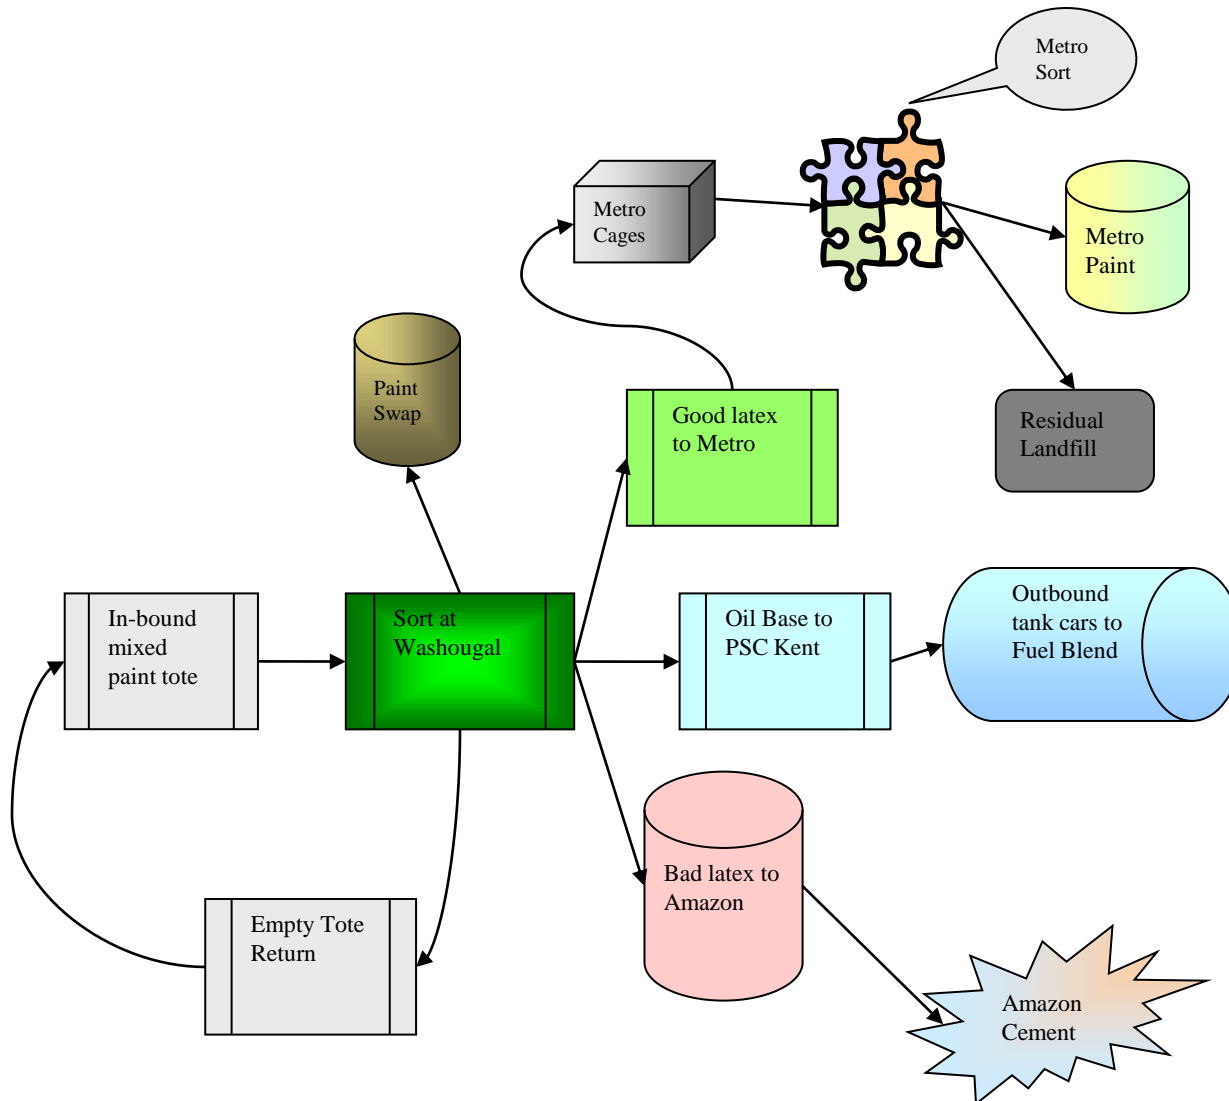

- ❖ Floor Space Requirements (48" x 44")
- ❖ Stackable, Built-in Containment
- ❖ Store in covered area on solid surface

❖ **PSC to provide all shipping documents**

- **Oil and Latex co-mingled in bins**
- **DOT SP-11624, Flammable Sticker, DOT Label, Up Arrows, Sequential bin numbers**
- **Bill of Lading**

- All collection sites will be provided the same service level
- Collection to be done by contractor or County personnel – labeling and transportation by PSC.
- Collection containers for HHW event to be determined - could be totes, roll-off bins or combination of both

- Burlington Environmental (PSC) is transporter
- Envision a combination of 24' and 48' vans to service the state
- Will likely have electric pallet jacks.
